

Solar PV Training Courses - Australia				
Qualification / Course	Corresponding Accredited Type	Organisation Name	Location	phone
All States				
Global Wind Organisation Training	Large Scale Wind	Canberra Institute of Technology	various	02 6207 5967
Grid-connect Design and Install	Grid-Connect	GSES	various	1300 265 525
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	GSES	various	1300 265 525
Stand-alone Power Systems	Stand-alone	GSES	various	1300 265 525
Grid Connect Design and Install	Grid-Connect	Skillbuild Training	various	1800 059 170
Stand-alone Power Systems	Stand-alone	Skillbuild Training	various	1800 059 170
Solar Grid-Connect with Battery Storage	Storage Endorsement	Skillbuild Training	various	1800 059 170
Small Wind endorsement course	Wind	Skillbuild Training	various	1800 059 170
Micro Hydro endorsement course	Micro-Hydro	Skillbuild Training	various	1800 059 170
Certificate IV Electrical-Renewable Energy	GC, SPS	Skillbuild Training	various	1800 059 170
Electrical Knowledge Units for Design Accreditation	Grid-Connect	Skillbuild Training	various	1800 059 170
Design and Install Grid Connected PV Systems	Grid-Connect	Solar Training Centre	various	0430 030 023
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Solar Training Centre	various	0430 030 023
ACT				
Grid-connect Design and Install	Grid-Connect	Canberra Institute of Technology	CIT Bruce and Surrounding Region	02 6207 9302
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Canberra Institute of Technology	CIT Bruce and Surrounding Region	02 6207 9302
Grid-connect Design and Install	Grid-Connect	Global Energy Training Solutions	Canberra	02 6262 0077
New South Wales				
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Future Skills Limited		07 3848 2298
Statement of Attainment - Grid Connected Photovoltaic (PV) Systems	Grid-Connect	TAFE NSW - South Western Sydney Institute	Granville	02 9682 0241
Grid connect course for electricians	Grid-Connect	TAFE NSW - Northern Sydney Institute	Hornsby	02 9472 1580
Designer & Installer of Grid Connected Photovoltaic Systems	Grid-Connect	TAFE NSW - Western Sydney Institute	Mt Druitt	02 9208 6244
TAFE Statement in Renewable Energy	Grid-Connect	TAFE NSW - Hunter Institute	Newcastle	02 4923 7507
TAFE Statement in Renewable Energy	Grid-Connect	TAFE NSW - Illawarra Institute	Nowra	02 4421 9896
Grid Connected Photovoltaic (PV) Systems	Grid-Connect	TAFE NSW - Western Institute	Orange	1300 823 393
Grid Connected Photovoltaic (PV) Systems	Grid-Connect	TAFE NSW - Northern Coast Institute	Port Macquarie	1300 628 233
Design and Install Grid Connected Photovoltaic Systems	Grid-Connect	NECA Training (NSW)	Silverwater	02 9188 4424
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	NECA Training (NSW)	Silverwater	02 9188 4424
Solar Grid Connect systems course	Grid-Connect	TAFE NSW - New England Institute	Tamworth	02 6768 2058
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	TAFE NSW - New England Institute	Tamworth	02 6768 2058
Grid Connected Photovoltaic (PV) Systems	Grid-Connect	TAFE NSW - Northern Coast Institute	Wollongbar	02 6620 4845
TAFE Statement in Renewable Energy	Grid-Connect	TAFE NSW - Hunter Institute	Wyong	02 4923 7507
Northern Territory				
Design and Install Grid Connected PV Systems	Grid-Connect	Solar Training Centre	Darwin, Alice Springs	0430 030 023
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Solar Training Centre	Darwin, Alice Springs	0430 030 023
Queensland				
Photovoltaic Install and Design Course	Grid-Connect	Electro-Training Institute	Brisbane, Townsville, Mackay	07 4724 4543
Design and Install PV Grid Battery Storage	Storage Endorsement	Electro-Training Institute	Brisbane, Townsville	07 4724 4543
Design and Install Grid Connected Photovoltaic Systems	Grid-Connect	EIM Training	Brisbane, Cairns, Gold Coast	07 5575 7575
Design and Install Grid Connected PV Systems	Grid-Connect	Solar Training Centre	Brisbane	0430 030 023
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Solar Training Centre	Brisbane	0430 030 023

Queensland				
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Future Skills Limited	Salisbury	07 3848 2298
Design and Install Grid Connected Photovoltaic Systems	Grid-Connect	Queensland Electrical Training	Coopers Plains	0412 780 603
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Queensland Electrical Training	Coopers Plains	0412 780 603
Course in Solar Panel and Grid Connect Install and Design	Grid-Connect	Skills Tech, Brisbane	Eaglefarm	1800 654 447
Course in Stand-Alone Power Systems (SPS) Design and Install	Stand-alone	Skills Tech, Brisbane	Eaglefarm	1800 654 447
Design and Install Grid Connected Photovoltaic Systems	Grid-Connect	Volt Edge Pty Ltd	Mackay	1300 761 366
Course in Grid Connect - Design and Install	Grid-Connect	Tafe Queensland, East Coast	Nambour	07 5457 1473
Course in Stand-alone Power Systems	Stand-alone	Tafe Queensland, East Coast	Nambour	07 5457 1473
Design and Install Grid Connected Photovoltaic Systems	Grid-Connect	Electro Group Training	Rocklea	07 3274 6288
South Australia				
Grid-Connect Course - Design/Install	Grid-Connect	TAFE SA - Elizabeth Campus	Elizabeth	08 8207 4907
Stand-alone Power Systems	Stand-alone	TAFE SA - Elizabeth Campus	Elizabeth	08 8207 4907
Design and Install PV Grid Battery Storage	Storage Endorsement	TAFE SA - Elizabeth Campus	Elizabeth	08 8207 4907
Install and repair grid connect photovoltaic systems	GC, SPS, Wind	TAFE SA Regional - Mt Gambier Campus	Mt Gambier	08 8735 1420
Design, install and repair grid connected photovoltaic systems	Grid-Connect	TAFE SA Regional - Port Pirie Campus	Port Pirie	08 8638 4250
Grid-Connect Course - Design/Install	Grid-Connect	TAFE SA - Tonsley Campus	Tonsley	08 8207 4907
Stand-alone Power Systems	Stand-alone	TAFE SA - Tonsley Campus	Tonsley	08 8207 4907
Design and Install PV Grid Battery Storage	Storage Endorsement	TAFE SA - Tonsley Campus	Tonsley	08 8207 4907
Design and Install Grid Connected PV Systems	Grid-Connect	Solar Training Centre	Torrensville	0430 030 023
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Solar Training Centre	Torrensville	0430 030 023
Tasmania				
Grid connect for Electricians	Grid-Connect	TasTAFE	ALL	1300 655 307
Victoria				
Stand Alone Power Supply Systems (SPS) Short Course	Stand-alone	Melbourne Polytechnic (formerly NMIT)	Epping	03 9269 8620
Grid Connect Install for Qualified Electricians	Grid-Connect	Melbourne Polytechnic (formerly NMIT)	Epping	03 9269 8620
Grid Connect Design	Grid-Connect	Melbourne Polytechnic (formerly NMIT)	Epping	03 9269 8620
Renewable Energy Grid Connect	Grid-Connect	RMIT University	Melbourne	03 9925 0328
Certificate III in Renewable Energy - ELV	Grid-Connect	Holmesglen TAFE	Moorabbin	03 9209 5690
Design and Install PV systems (for industry groups)	Grid-Connect	Holmesglen TAFE	Moorabbin	03 9209 5690
Design and Install PV Grid Battery Storage	Storage Endorsement	Holmesglen TAFE	Moorabbin	03 9209 5690
Design and Install off-grid PV systems.	Stand-alone	Holmesglen TAFE	Moorabbin	03 9209 5690
Wind Accreditation RPL Process	Wind	Holmesglen TAFE	Moorabbin	03 9209 5690
Grid Connect Design & Install	Grid-Connect	NECA Education & Careers	North Carlton	03 9381 1922
Design and Install PV Grid Battery Storage	Storage Endorsement	NECA Education & Careers	North Carlton	03 9381 1922
Solar Grid Connect	Grid-Connect	Victoria University	Sunshine	03 9919 7600
Design and Install Grid Connected PV Systems	Grid-Connect	Solar Training Centre	Knoxfield	0430 030 023
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	Solar Training Centre	Knoxfield	0430 030 023
Solar Grid Connect Training	Grid-Connect	Swinburne University of Technology	Wantirna	03 9726 1616
Stand Alone Power Supply	Stand-alone	Swinburne University of Technology	Wantirna	03 9726 1616
Grid Connect Design & Install	Grid-Connect	South West Institute of TAFE	Warrnambool	03 5564 8820
Design and Install Grid Connected PV Systems with Batteries	Storage Endorsement	South West Institute of TAFE	Warrnambool	03 5564 8820
Western Australia				
Design and Install Grid-Connected PV Systems	Grid-Connect	CERIT CLEAN ENERGY/ ATC	Bunbury/ Perth	08 6102 5200
Grid Connect Install only training	Grid-Connect	CERIT CLEAN ENERGY/ ATC	Bunbury/ Perth	08 6102 5200
Electrical Knowledge Units for Grid-Connect Design Accreditation	Grid-Connect	CERIT CLEAN ENERGY/ ATC	Online	08 6102 5200
Grid Connected PV Skill Set	Grid-Connect	College of Electrical Training	Jandakot	08 9417 8166

Western Australia

Stand-alone PV Skill Set	Stand-alone	College of Electrical Training	Jandakot	08 9417 8166
Battery Storage for Grid Connected PV Systems	Storage Endorsement	College of Electrical Training	Jandakot	08 9417 8166
Cert IV in Electrical-Photovoltaic Systems	Grid-Connect	College of Electrical Training	Jandakot	08 9417 8166
Grid Connect Design & Install Skill Set	Grid-Connect	South Metro TAFE (formally Polytechnic West)	Thornlie	1800 001 001
