

## Solar PV with Battery Storage Training Courses

All courses listed below are being accepted for the battery storage endorsement.

Course Name	Organisation Name	Location	State	phone
<b>Endorsed units offered</b>				
Design and Install Grid Connected PV Systems with Batteries	GSES	various	Australia Wide	1300 265 525
Solar Grid-Connect with Battery Storage	Skillbuild Training	various	Australia Wide	1800 059 170
Design and Install Grid Connected PV Systems with Batteries	TAFE NSW - New England Institute	Tamworth	NSW	02 6768 2058
Design and Install Grid Connected PV Systems with Batteries	Future Skills Limited	various	Qld and NSW.	07 3848 2298
Design and Install PV Grid Battery Storage	Electro-Training Institute	Bisbane, Townsville	QLD	07 4724 4543
Design and Install Grid Connected PV Systems with Batteries	Queensland Electrical Training	Coopers Plains	QLD	0412 780 603
Design and Install Grid Connected PV Systems with Batteries	Green Business Audit & Training	Torrensville	SA	0417 823 497
Design and Install Grid Connected PV Systems with Batteries	Green Business Audit & Training	Torrensville	SA	04300 300 23
Design and Install PV Grid Battery Storage	Holmesglen TAFE	Moorabbin	VIC	03 9209 5690
Design and Install PV Grid Battery Storage	NECA Education & Careers	North Carlton	VIC	03 9381 1922
Battery Storage for Grid Connected PV Systems	College of Electrical Training	Jandakot	WA	08 9417 8166
<b>Draft units offered</b>				
Design and Install PV Grid Battery Storage	TAFE SA - Tonsley Campus	Tonsley	SA	08 8207 4907
Design and Install PV Grid Battery Storage	TAFE SA - Elizabeth Campus	Elizabeth	SA	08 8207 4907
